STUDENT SERVICES
ABOUT MELBOURNE

Melbourne, crowned the world’s most livable city via the Economist Intelligence Unit’s survey, is the second largest city in Australia and is a multi-cultural society with a long history of welcoming foreign visitors and settlers. A major cultural, sporting and business centre, the city attracts thousands of international tourists and students. Dining out in this diverse city is a cosmopolitan experience with a representation of all international cuisines. Chinatown located in the central business district has hundreds of restaurants catering to different tastes with prices ranging from the very affordable to the extravagant. This scenario is duplicated in other areas of Melbourne. There are Greek, Italian, Vietnamese, Indian and Middle Eastern precincts to choose from. Southgate on the banks of the Yarra River is a popular eating and shopping precinct. Melbourne is a shopping paradise and can be a bargain hunter’s delight but if your taste is for branded items, the city is also home to the world’s biggest names.

CULTURE

Melbourne is often known as the sporting and cultural capital of Australia, with a wide variety of sporting events and numerous festivals throughout the year. The Formula One Grand Prix, Australian Open Tennis Championships, International Cricket, Spring Racing Carnival and the Australian Football League Grand Final are all annual sporting events. Film, drama, dance, music and art are all well represented. Melbourne takes pride in its diverse ethnic population and is home to thousands of students including 50,000 international students. Melbourne is ranked fifth in the Global University City Index of February 2009 as having the superior services and quality that make up a great university city.

CLIMATE

Melbourne’s weather can be unpredictable and is known to occasionally provide four seasons in one day. A range of clothing to suit the variable weather is therefore recommended for anyone planning to visit or study in Melbourne. In general, the climate presents a cool winter with snow falls in the mountains during this time. Summer is hot and dry. The beaches entice surfers and holiday makers for seaside recreation. Spring and autumn are particularly pleasant; the parklands beautiful and ideal for relaxation.
Students should note the following guide to costs when they study in Australia. The cost of accommodation, food, transport, clothing, entertainment, books, stationery and other necessary expenses is about AUD$18,000 - AUD$20,000 per year. A 10% Goods and Services Tax (GST) is included in most retail items. Students should have at least AUD$4,000 – AUD$5,000 to cover the initial costs of settling into Melbourne.

ACCOMMODATION

You can choose homestay with a host family who usually provides three meals a day – an excellent way to experience Australian culture and practice speaking English. Homestays cost about AUD$260 per week. ANIBT can arrange homestay for you. A rental apartment or house may be a cheaper option if you share it with other students. The cost ranges from AUD$80 to AUD$300 per week depending on its location, the type of property and the number of people sharing it.

TRADING HOURS

Normal shopping hours are 9:00 AM to 5:00 PM Monday to Wednesday. Most large retail shops and shopping centers are open until 9:00 PM on Thursday and Friday. Supermarkets are usually open to 12:00 AM every day. On Saturday most shops close early afternoon. Sunday trading hours are normally 11:00 AM to 5:00 PM. Most convenience stores open 24 hours daily – these however tend to be more expensive than shopping centers and have a limited range of goods.

WORK OPPORTUNITIES

International students are permitted to work 20 hours per week while studying, and full time during study breaks or Christmas/New Year holiday periods. However they must ensure that work does not interfere with their scheduled classes and academic progress.

PUBLIC TRANSPORT

Melbourne’s public transport is clean, efficient and provides good value for money. Trams, trains and buses interconnect within the city and with the suburbs.
Access and Equity
ANIBT is committed to promoting full and equal participation to all students, and providing them with fair and unprejudiced access to the activities and learning environment. ANIBT fosters a study and work environment which is free from discrimination and harassment. Its aim is to promote the principles and spirit of legislation related to human rights, equal opportunity and non-discrimination. Refer to http://www.anibt.vic.edu.au for further details.

Appeals
ANIBT will act promptly on complaints from students. ANIBT has an open and fair policy which is accessible on http://www.anibt.vic.edu.au. Appeals will be heard internally and outcomes will be recorded in writing, and are subject to external appeal. Details of policies and procedures on appeals and grievances are also available from the Student Handbook.

Respect & Disciplinary Measures
Students are expected to maintain appropriate behavior while studying at ANIBT. Inappropriate behavior will result in ANIBT enforcing disciplinary measures as outlined in the Institutes Health, Safety and Respect regulations available on http://www.anibt.vic.edu.au and in the Student Handbook. This information will also be presented during Orientation Day.

Flexible Learning and Assessment
Courses offered at ANIBT take into account the diverse learning styles and needs of students. Course delivery and assessments are designed to be flexible, fair, reliable and valid.

ANIBT recognises qualifications within the Australian Qualifications Framework (AQF) issued by other Registered Training Organisations (RTOs). ANIBT will also consider formal learning outside the AQF.

Orientation
An introduction to ANIBT is conducted during Orientation Day. This may occur at the beginning of a term or on an individual basis. Orientation is compulsory and introduces students to ANIBT policies and procedures, rules and regulations, facilities and general information on living in Melbourne. It is a chance to meet ANIBT staff and ask questions. Each student will receive a Student Handbook outlining students’ rights and obligations, as well as fees, charges, refund policy and directions for resolving complaints and grievances.

Recognition of Prior Learning (RPL) and Credit Transfer
Students may apply for RPL or Credit Transfer prior to admissions. Further information on RPL is available on http://www.anibt.vic.edu.au or via ANIBT Administration. Applicants will need to provide evidence to support their claim of prior learning or requests for exemptions before beginning their courses. International students granted RPL or Credit Transfer are required to study 20 (twenty) hours per week until they begin the last semester of their course.
Attendance and Academic Progress
Students are required to attend all relevant classes and complete their course assignments within the set time frame. They must abide by all ANIBT’s rules and regulations that are in force at any time. ANIBT is obliged to report to the Australian Government any students who are not making satisfactory progress in their studies. These students may be asked to leave Australia by the Australian Department of Immigration and Border Protection (DIBP).

Conditions attached to overseas student visas
Under Australian Government regulations, international students must be enrolled for and engaged in full-time study. Before accepting an enrolment offer from ANIBT you should ensure that you fully understand the conditions attached to an overseas student visa as stipulated in the DIBP regulations; available on http://www.immi.gov.au.

Overseas Student Health Cover
Overseas Student Health Cover (OSHC) is compulsory for all international students while studying in Australia. OSHC does not cover optometry, dental services or pre-existing conditions (i.e. prior to entry into Australia). It covers up to 85% of the Australian Government scheduled fee.

Privacy
ANIBT complies with Commonwealth and State legislation regarding privacy. International students should be aware that information provided to ANIBT may be made available to Commonwealth and State agencies and the Fund Manager of the ESOS Assurance Fund, pursuant to obligations under the ESOS Act 2000 and the National Code of Practice for Registration Authorities and Providers of Education and Training to International Students.

Language, Literacy and Numeracy Requirements
International students must meet the minimum English language proficiency requirement for entry into a course. English proficiency may be tested and, if the test reveals that the English language skills are insufficient, the student will be required to improve his/her proficiency by enrolling in an English language program before commencement of studies. Specific English language requirement for each course can be found on http://www.anibt.vic.edu.au. Language, literacy and numeracy requirements are monitored by trainers on an ongoing basis. Additional support for English is available on request from Australian National College of English (ANCE http://www.ance.vic.edu.au), the ELICOS (English Language Intensive Courses for Overseas Students) arm of ANIBT.

Processing your application for enrolment
Processing your application will commence as soon as it is received by ANIBT. If your application is successful a Letter of Offer (of placement) together with an Offer Acceptance form will be sent to you. You must then sign the Offer Acceptance form and send it back to ANIBT to formalize your enrolment. Upon receipt of your payment of the course fees, ANIBT will send an electronic Confirmation of Enrolment (eCOE) Form that you will need to present to the Australian Embassy or High Commission with the application for your visa.

Protection of Student Fees
Fees paid by overseas students to ANIBT are deposited in a separate Education Account. ANIBT is a part of the Federal Government Tuition Protection Service (TPS) Scheme. This scheme ensures that if, for any reason, ANIBT is unable to continue operating, students who have not completed their courses will be offered enrolment in another school under this scheme. For details of TPS, please refer to www.aei.gov.au.

• a complaints and appeals process.
One of the standards does not allow another provider to enrol a student who wants to transfer to another course
