Course overview

Professionals across a broad range of corporate and government sectors are increasingly required to manage multiple priorities and be disciplined in their approach to project based activities within their organisations.

This nationally recognised qualification reflects the role of individuals who analyse, design and execute judgements using wide-ranging technical, creative, conceptual or managerial competencies. Their knowledge base may be specialised or broad. These individuals are often accountable for group outcomes.

The Advanced Diploma of Project Management offer by ANIBT has been designed to equip students with best practice project management skills and knowledge to ensure that projects deliver the outcomes an organisation requires.

This qualification reflects the role of individuals who possess a sound theoretical knowledge base and use a range of specialised, technical or managerial competencies to plan, carry out and evaluate their own work and/or the work of a team.

Whether you are a practicing project team member, an aspiring or recently appointed Project Manager or a business / technical professional working in a project environment and requiring more in-depth knowledge of project management, this will be an excellent qualification for you.

For Diploma level courses, the recommended minimum level of education is Higher School Certificate or equivalent or relevant qualification (at Certificate IV or above) or relevant vocational experience.

In addition, students may enter the qualification through a number of entry points demonstrating potential to undertake vocational education and training at Certificate IV level including:

- after achieving the BSB51413 Diploma in Project Management or other relevant qualification/s;
- providing evidence of competency in the majority of units required for the BSB51413 Diploma in Project Management or other relevant qualification/s;
- extensive vocational experience in project-based work without a formal project management qualification.

For international students

Please check with the Australian Department of Immigration and Border Protection regarding international students enrolling into any on-line only based qualifications.

The Australian government publishes rules for English language proficiency for international students applying for entry to vocational training. You should establish your country’s assessment level by reading the DIBP rules at www.immi.gov.au/students/. Be aware that the rules may be changed during 2014.

Generally, to demonstrate English language proficiency for doing a Certificate or Diploma course, an international student needs one of the following test scores:

<table>
<thead>
<tr>
<th>Test</th>
<th>IELTS</th>
<th>CAE</th>
<th>PTE Ac</th>
<th>TOEFL iBT</th>
<th>TOEFL PBT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Score</td>
<td>5.5</td>
<td>47</td>
<td>42</td>
<td>46</td>
<td>527</td>
</tr>
</tbody>
</table>

ANIBT also accepts completion of a recognised equivalent English preparation course from an accredited ELICOS provider. Admission may be approved if the language of instruction in the student’s home country is English or if English has been the language spoken in the student’s home.

Overseas students who do not provide a satisfactory score from an English test recognised by DIAC will be interviewed to ascertain their language, literacy and numeracy (LLN) skills and must have to do an LLN test at ANIBT.

If necessary, the student will need to complete an English language course at ANIBT before being admitted to a vocational training Certificate or Diploma course.

Note: ANIBT may establish student’s English language proficiency appropriateness’ level if:

- The student has completed 1-year study which is taught in English
- The student has successfully completed ELICOS course and the level is equivalent to IELTS 5.5
- The student passes ANCE English assessment test, under supervision by ANIBT or ANIBT representative agents (does not apply to offshore direct-application).
